The Management Board of Bank Millennium S.A. i.e. the parent company, is responsible for the completeness, fairness and accuracy of the semi-annual consolidated financial statements. Our responsibility was to review these semi-annual consolidated financial statements.

The review of the semi-annual consolidated financial statements was conducted in compliance with Standard No. 4 of the professional standards issued by the Polish National Council of Certified Auditors. These standards require that we plan and perform the review to obtain reasonable assurance that the semi-annual consolidated financial statements are free of significant misstatement.

A review was limited primarily to applying analytical procedures to financial data presented in the semi-annual consolidated financial statements, inspection of evidence supporting the amounts and disclosures in the semi-annual consolidated financial statements and inquires of the Management Board and personnel of Bank Millennium S.A. The scope and method of a limited review of semi-annual consolidated financial statements is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the true and fair presentation of the financial statements. Therefore we do not express such an opinion on the accompanying semi-annual consolidated financial statements.

Based on our review nothing has come to our attention that require any significant changes to be made to the accompanying semi-annual consolidated financial statements to fairly present the financial position of the Bank Millennium S.A Group as at 30 June 2004, financial result, profitability and cash flows for the period from 1 January 2004 to 30 June 2004 in accordance with the accounting standards set out in the Polish Accounting Act dated 29 September 1994 (Official Journal No. 76, item 694 with subsequent amendments), the ordinance of Minister of Finance dated 10 December 2001 regarding special accounting principles for banks (Official Journal no. 149, item 1673 with subsequent amendments), the ordinance of Minister of Finance dated 12 December 2001 regarding the special principles for the preparation of bank's consolidated financial statements and consolidated financial statements of financial holding companies (Official Journal no. 152, item 1728) and the requirements relating to issuers of publicly traded securities.
