Explanations:

- 1) Concerns ATMs providing service.
- 2) The card may be used by Cardholder from the moment the card is issued up to the last day of the month embossed on the card as a validity date.
- 3) The fee for Cash Back service will not be charged till June 30th 2014.
- 4) Does not apply to POS purchases at merchants categorized as casinos, internet casinos, games of chance, gambling, bookmakers, lotteries and totalisators.
- 5) Contactless transactions are made in offline mode (without putting a hold on available credit limit until the transaction is settled) with Visa (payWave) cards in case of transactions without PIN code confirmation (single transaction up to 50 PLN) and to a total amount of 150 PLN, while transaction with PIN code confirmation (single transactions above 50 PLN) are made in online mode (with hold on available credit limit until the transaction is settled). Contactless transactions with Maestro (PayPass) cards are done in online mode only.
