ON THE INTERIM  
CONSOLIDATED FINANCIAL STATEMENTS OF  
BANK MILLENNIUM GROUP  
FOR THE PERIOD  
FROM 1 JANUARY 2006 TO 30 JUNE 2006**

*To the Shareholders of Bank Millennium S.A.*

We have reviewed the accompanying interim consolidated financial statements of Bank Millennium Group, with its registered office in Warsaw, Al. Jerozolimskie 123a that consist of the consolidated balance sheet as at 30 June 2006, with total assets and total liabilities and equity of PLN 23,408,118 thousand, the consolidated profit and loss account for the period from 1 January 2006 to 30 June 2006 with a net profit of PLN 139,677 thousand, the consolidated statement of changes in equity for the period from 1 January 2006 to 30 June 2006 with a decrease in equity of PLN 351,761 thousand, the consolidated cash flow statement for the period from 1 January 2006 to 30 June 2006 with a decrease in cash amounting to PLN 1,645,982 thousand, and explanatory notes.

Management of the parent company is responsible for the preparation and fair presentation of these interim consolidated financial statements in accordance with the International Financial Reporting Standards as applicable to interim financial reporting as adopted by the European Union and with respect to matters not regulated by the above Standards, in accordance with the Accounting Act dated 29 September 1994 (Official Journal from 2002, No. 76, item 694 with amendments) and the respective bylaws and in accordance with the requirements for issuers of securities admitted or sought to be admitted to trading on an official stock-exchange listing market. Our responsibility is to issue a report on these interim consolidated financial statements, based on our review.

We conducted our review in accordance with Standard No. 4 of the professional standards *General principles for the review of financial statements*, issued by the National Council of Certified Auditors and with the International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim consolidated financial statements do not present fairly in all material respects, the financial position of Bank Millennium Group as at 30 June 2006, and its financial performance and its cash flows for the period from 1 January 2006 to 30 June 2006 in accordance with the International Financial Reporting Standards as applicable to interim financial reporting as adopted by the European Union.
