Management of the Bank is responsible for the preparation and presentation of these condensed interim unconsolidated financial statements in accordance with the International Financial Reporting Standards as applicable to interim financial reporting as adopted by the European Union and with respect to matters not regulated by the above Standards, in accordance with the Accounting Act dated 29 September 1994 (Official Journal from 2002, No. 76, item 694 with amendments) and the respective bylaws and in accordance with the requirements for issuers of securities admitted or sought to be admitted to trading on an official stock-exchange listing market. Our responsibility is to issue a report on these condensed interim unconsolidated financial statements, based on our review.

We conducted our review in accordance with Standard No. 4 of the professional standards *General principles for the review of financial statements*, issued by the National Council of Certified Auditors and with the International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim unconsolidated financial statements of Bank Millennium S.A. are not prepared, in all material respects, in accordance with the International Financial Reporting Standards as applicable to interim financial reporting as adopted by the European Union.
