

INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM CONDENSED STANDALONE FINANCIAL STATEMENTS

To The Shareholders and Supervisory Board of Bank Millennium S.A.

Report on the Financial Statements

We have reviewed the accompanying interim condensed standalone financial statements of Bank Millennium S.A. with its registered office in Warsaw, Żyryna 2A (hereinafter: the "Bank"), comprising: interim condensed standalone profit and loss statement, interim condensed standalone statement of comprehensive income for the period from 1 January 2020 to 30 June 2020, the interim condensed standalone statement of financial position prepared as at 30 June 2020, interim condensed standalone statement of changes in equity, interim condensed standalone statement of cash flows for the period from 1 January 2020 to 30 June 2020 and selected explanatory notes ("interim condensed standalone financial statements").

Management's Responsibility for the Financial Statements

The Management Board of the Bank is responsible for the preparation and fair presentation of these interim condensed standalone financial statements in accordance with International Accounting Standard 34 "Interim Financial Reporting" announced in the form of Commission Regulations and for such internal control as Management determines is necessary to enable the preparation of interim condensed financial statements that are free from material misstatement whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the accompanying interim condensed standalone financial statements. We conducted the review in accordance with the International Standard on Review Engagements 2400 (Revised) "*Engagements to Review Historical Financial Statements*" in a version adopted as the National Standard on Review 2400 by the National Council of Statutory Auditors ("NSR"). NSR requires that we express a conclusion whether anything has come to our attention that causes us to believe the interim condensed financial statements as a whole are not prepared, in all material respects, in accordance with an applicable financial reporting framework. This Standard also requires that we comply with relevant ethical requirements.

A review of financial statements under NSR is a limited assurance engagement. The auditor performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluate the evidence obtained.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing. Accordingly, we do not express an audit opinion on these interim condensed financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed standalone financial statements do not give a true and fair view, in all material respects, of the financial position of Bank Millennium S.A. as at 30 June 2020 and of its financial performance and its cash flows for the year then ended in accordance with International Accounting Standard 34 *“Interim Financial Reporting”* announced in the form of Commission Regulations.
